Curriculum

The ESCP Master in Management is a two- to three-year programme combining core management courses, and specialisations across the School's 6 campuses. Its objective? Prepare savvy, internationally-minded graduates to successfully launch their careers.

As a Master in Management student, you will graduate with the skillset and mindset to collaborate with and lead multicultural teams

- Develop an in-depth knowledge of state-of-the-art techniques in business.
- Build or enhance your career plans with career coaches, and test the waters with semester-long specialisations and in-company experience.
- Strengthen your ability to live and work in a highly multicultural and international environment
- Broaden your horizons by studying alongside students from a vast range of backgrounds, such as business management, economics, engineering and social sciences.

Build your learning journey

You will personalise your degree and choose from nearly 70 specialisations across the following business and management areas:

- ➔ Accounting / Management Control
- ➔ Business Development
- ➔ Consulting
- ➔ Digital
- ➔ Entrepreneurship
- ➔ Finance
- ➔ Law and Economics
- ➔ Marketing
- ➔ Sustainability
- ➔ Cross disciplinary
- ➔ Industry sector

See our website for the complete list.

Optional Pre-Master year

Discover the fundamentals of management

- Accounting
- Business Law
- Costs and Decisions
- Digital Insights
- Economic Analysis
- Fundamentals of Finance
- Fundamentals of Marketing
- Humanities and Management
- Information Tools & Skills for Business
- Operations Management
- Psychology and Management
- Statistics and Data Analysis

Experiential learning

Take a deep dive into the major issues today's leaders face with six thematic seminars. You will learn by doing together with fellow students from all over the world.

- **Designing Tomorrow: Business and Sustainability:** Learn how climate and related societal issues have a major impact on companies worldwide.
- **Digital Insights Seminar:** This course is currently under development.
- **Immersion:** Discover the practicalities of managerial life and understand the day-to-day activities that structure your actions as manager and leader.

- **Digital Spark:** Understand and experience the digital challenges at stake for organisations.
- **Designing Europe:** Discover how the European Union works and how laws are created through a Simulation Game at the European Parliament in Brussels.
- **Business Strategy Simulation:** Experience a computer-based simulation that allows you to develop, implement and manage international business strategies.
- **Soft Skills for Leaders:** Analyse the personality traits and behaviours that will help you to get hired and succeed in your work.

A degree that takes you all over Europe Berlin, London, Madrid, Paris, Turin & Warsaw

Live and learn in up to five different countries over three years. Each semester, you will choose amongst our centrally located campuses in Berlin, London, Madrid, Paris, Turin or Warsaw – or venture even further to a partner institution in 50 different countries around the world.
